## Route description to the house

The best thing to do is to leave the car in the centre of the village and walk the rest.

- Drive in to Torvizcon (turn right just after the bridge) and park anywhere in front of Muebles Hurtado, farmacia, Caja Granada. A little further on the road you will see the Spar.
- Walk towards the Spar and take the first street to the left after the Spar.
- Follow this road which is quite steep until you can't go any further (approx. 100 meter), here you will find a little wall with some trees and bushes behind it.
- Turn right, not into the calle Garcia, but straight up (just a little while).
- After 10 meters you will see the gate of our house.

The house is in calle Tomillar 15, but the street sign of calle Tomillar is nowhere to be found on the route as described above and the house hasn't got a housenumber. But the house is easy to find with the aid of the description above and the map.
